CLERK: Mr. President, 850, I have E & R amendments first of all, Senator.

SPEAKER BAACK: Senator Will.

SENATOR WILL: Mr. Speaker, I move the adoption of the E & R amendments to LB 850.

SPEAKER BAACK: You've heard the motion to adopt the E & R amendments to LB 850. All those in favor say aye. Opposed no. They are adopted.

CLERK: Mr. President, the first amendment I have to the bill is by Senator Morrissey.

SPEAKER BAACK: Senator Morrissey.

SENATOR MORRISSEY: Thank you, Mr. Speaker and members. This is an amendment that we discussed on General File on this bill. It has to do with paying the claim of the Johnson-Brock School District that was rejected by the State Claims Board. It has to do with the distribution of low-level funds or the improper distribution of those funds. The funds to the Johnson-Brock School District or to my area were distributed improperly. My amendment would say that because Johnson-Brock School District was allowed these funds per state law, that we will pay those funds. That would set a precedent that the other subdivisions in Boyd County and in Nemaha County could also come back and request those funds, and they should have that right because they were denied those funds that were ordered distributed to them by this Legislature. The money would come from...no money from General Funds. It would come from Fund 4840 in the Department of Environmental Control's budget. This fund consists of federal rebate money from the Department of Energy. The money was divided between the Low-Level Radioactive Waste Disposal Compacts. Our compact subsequently forwarded its share to Nebraska. The Department of Environmental Control first
